Ken Abendshein

Advisor(s) Emeritus
Scott Rohleder

Membership Representatives
Kerry Kellerman
Alisha Herrmann
Dan McBride
Blaine Cappel
Shawn Weldin
Hasmet Uner, MD

NOTICE to KSHIMSS General Membership

One of the Annual goals of KSHIMSS is to increase membership by initiating student memberships. One way we hope to accomplish this is by appointing a committee to perform a feasibility study centered on developing an affiliation with a Kansas based university for establishing a KSHIMSS scholarship supporting study in healthcare information technology. Scott Rohleder, our Advisor Emeritus has graciously accepted to be the chair of this committee. I am calling on the general membership for anyone who would be interested to be a part of the committee in joining Scott to help develop a detail plan to present to the Board of Directors for the purpose of establishing an Annual KSHIMSS Scholarship fund with a Kansas university, to contact Scott at scott.rohleder@haysmed.com.

We, the Board of KSHIMSS, are anxious to quickly move forward in accomplishing this goal, and we hope to establish a scholarship that will grow and prosper for our youth in years to come. Please do not hesitate to contact Scott or myself if you have further questions.

On behalf of the Board of Directors,

Robert Lies
President of KSHIMSS
